

Keep Away the Cold

Donate your Old

Annual Coat & Sweater Drive

Now thru January 26th

Donation box in clubhouse

*Imagine being so cold you can't feel your toes.
Imagine a world without heat.*

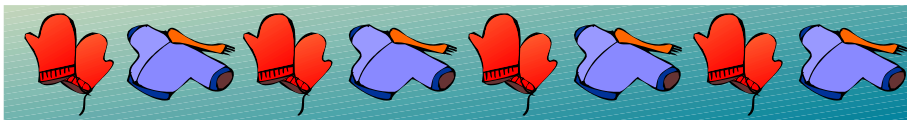

Would you like it if you were cold?

Your old coat or sweater could:

- **Be the difference between a homeless person freezing to death or making it through the night.**
- **Be the layer someone needs to be warm enough to sleep at night.**

Help save lives!

As the economy gets worse, the number of those needing basic necessities grows. Donate last seasons coats/sweaters & warm a heart and more.

Contact DMHOA when your collection box is ready for pick-up.

If you are interested in helping deliver the items to Catholic Charities, please contact DMHOA.
